§ 1 Scope of application

These Stadium Regulations shall regulate the use and guarantee the safety of the enclosed area of the Mercedes-Benz Arena, including all facilities, entrances and exits to and from the Arena, as well as the adjacent parking areas, which are available to visitors for use during events in the Arena. By entering the Arena and/or entering its facilities with a motor vehicle, the visitor shall agree to the validity of these Stadium Regulations, which are displayed at the entrances. These are valid for all events taking place, as well as on days without events.

§ 2 Stay

- (1) Only persons in possession of a valid admission ticket or other identification are entitled to enter the Arena. The interior area of the Arena is the area of the Arena which is clearly separated from the spectator area by a wall, a perimeter fence or in any other way, in particular the playing field and its perimeters including the areas assigned to the stewards (e.g. steward corridor). The boundaries and demarcations are already part of the interior area.
